An Introduction to IIMM Chennai

The Indian Institute of Materials Management (IIMM), Chennai, is a 57-year-old organisation that takes pride in being a Chartered Member of the prestigious IFPSM - International Federation of Purchasing & Supply Management - a renowned Institution Worldwide. Conforming to global standards, and recognised by various Public and Private sector entities, IIMM boasts of an extensive network of Supply Chain Management professionals located in all States and Union Territories of India. With a total of 52 branches and 20 chapters, IIMM has over 10,000 registered members, comprising of Corporates, Associates, and Students. In addition to this, IIMM also encompasses people across fields including Professionals in Business, Healthcare, Technology, Academia and the Student Community, who are engaged in diverse facets of Supply Chain, Materials, Logistics, Procurement and Planning in various Sectors of the economy. IIMM provides a valuable platform for the exchange of ideas in numerous aspects of Supply Chain - Learning, Research, Acquisition, Storage, Sourcing, Warehousing, Distribution, Delivery, Material Control, Logistics, and Strategic Planning, to benefit both Customers and Suppliers across the Country

Our Vision

To promote excellence in Supply Chain Management (SCM) to boost national prosperity and accomplish sustainable development in all operations in every region of India.

Key Features of SPECTRUM Special Edition 2023

- ➔ SPECTRUM SPECIAL EDITION 2023 is a Comprehensive Symposium organised by the IIMM, Chennai Branch, with the spotlight focus on Supply Chain Management advancements in the Healthcare Industry across India.
- ➔ This **One Day Convention** will encompass eminent Speakers from Leading Hospitals, Pharmaceutical Companies, Nursing Homes, Healthcare Entrepreneurs, Medical Practitioners, Hospital Administrators and Supply Chain Management Consultants, who are doyens in their respective fields possessing an advanced level of knowledge, technical know-how and expertise.

Our Objectives

- ⇒ To secure wider recognition and promote the importance of efficient Supply Chain Management in commercial and industrial undertakings.
- ⇒ To safeguard and elevate the professional status of individuals engaged in Supply Chain Management
- ⇒ To constantly impart advanced professional knowledge and improve the skillset of Supply Chain Management personnel
- ⇒ To propagate and promote among the members strict adherence to the IIMM Code of Conduct and Ethics.

Along with Illuminating Panel Discussions, An Eminent Line-Up of Stalwart Speakers and Several Distinguished Healthcare and Pharmaceutical Company Features, this year in 2023, we at IIMM, Chennai are going the extra mile of also Taking Care of Your Health! So embark on the journey leading to **"The Way To Good Health"** courtesy of Free Health Checkups and Doctor Consultations from the skilled team of medical professionals at

Medway Group of Hospitals, Chennai
and Free Eye Check up and consultations by
Vision Experts Eye Hospitals, Chennai
